

Bright confetti...  
showers of rice  
A wedding cake...  
and friends' advice

Rose bouquets  
and wedding rings

"Something borrowed"  
"something blue"

And for  
bride and groom  
so much that's new

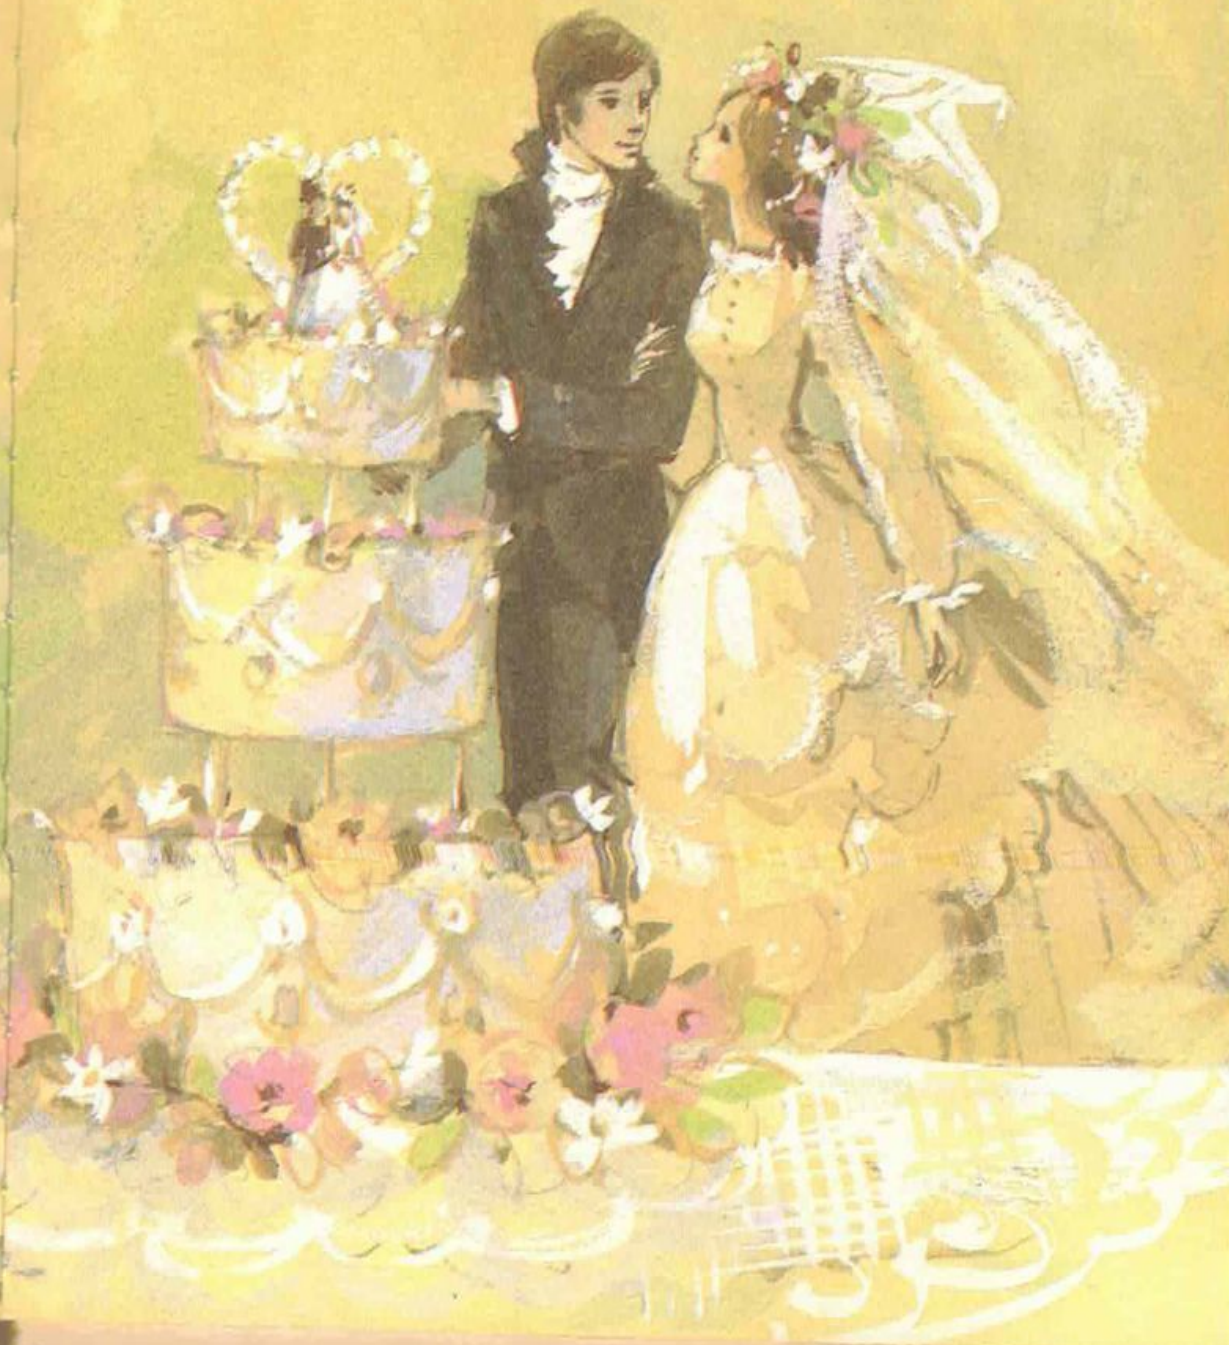

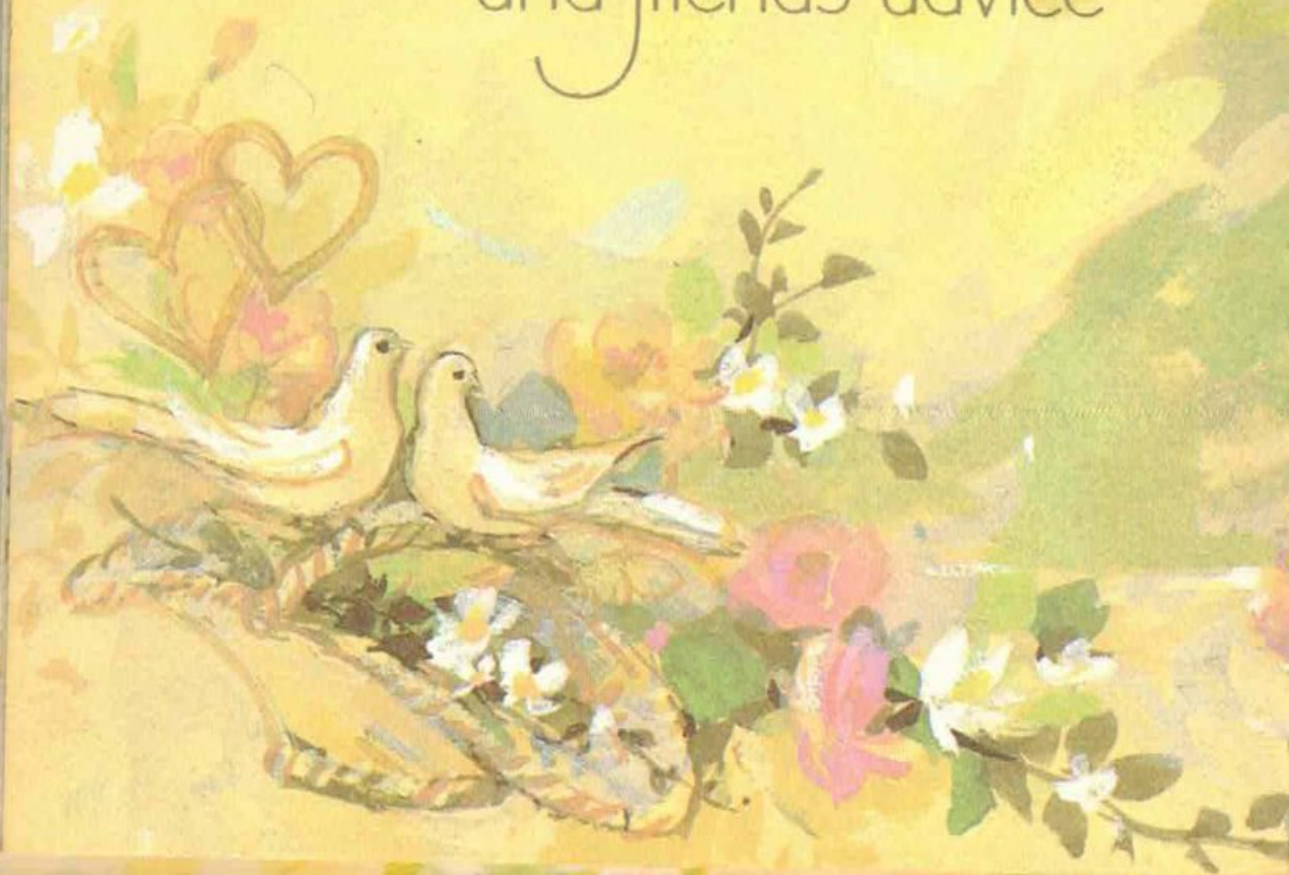

The smile  
upon a relative's  
face...

The best man's toast  
the bridesmaid's lace

Bright confetti...  
showers of rice  
A wedding cake...  
and friends' advice

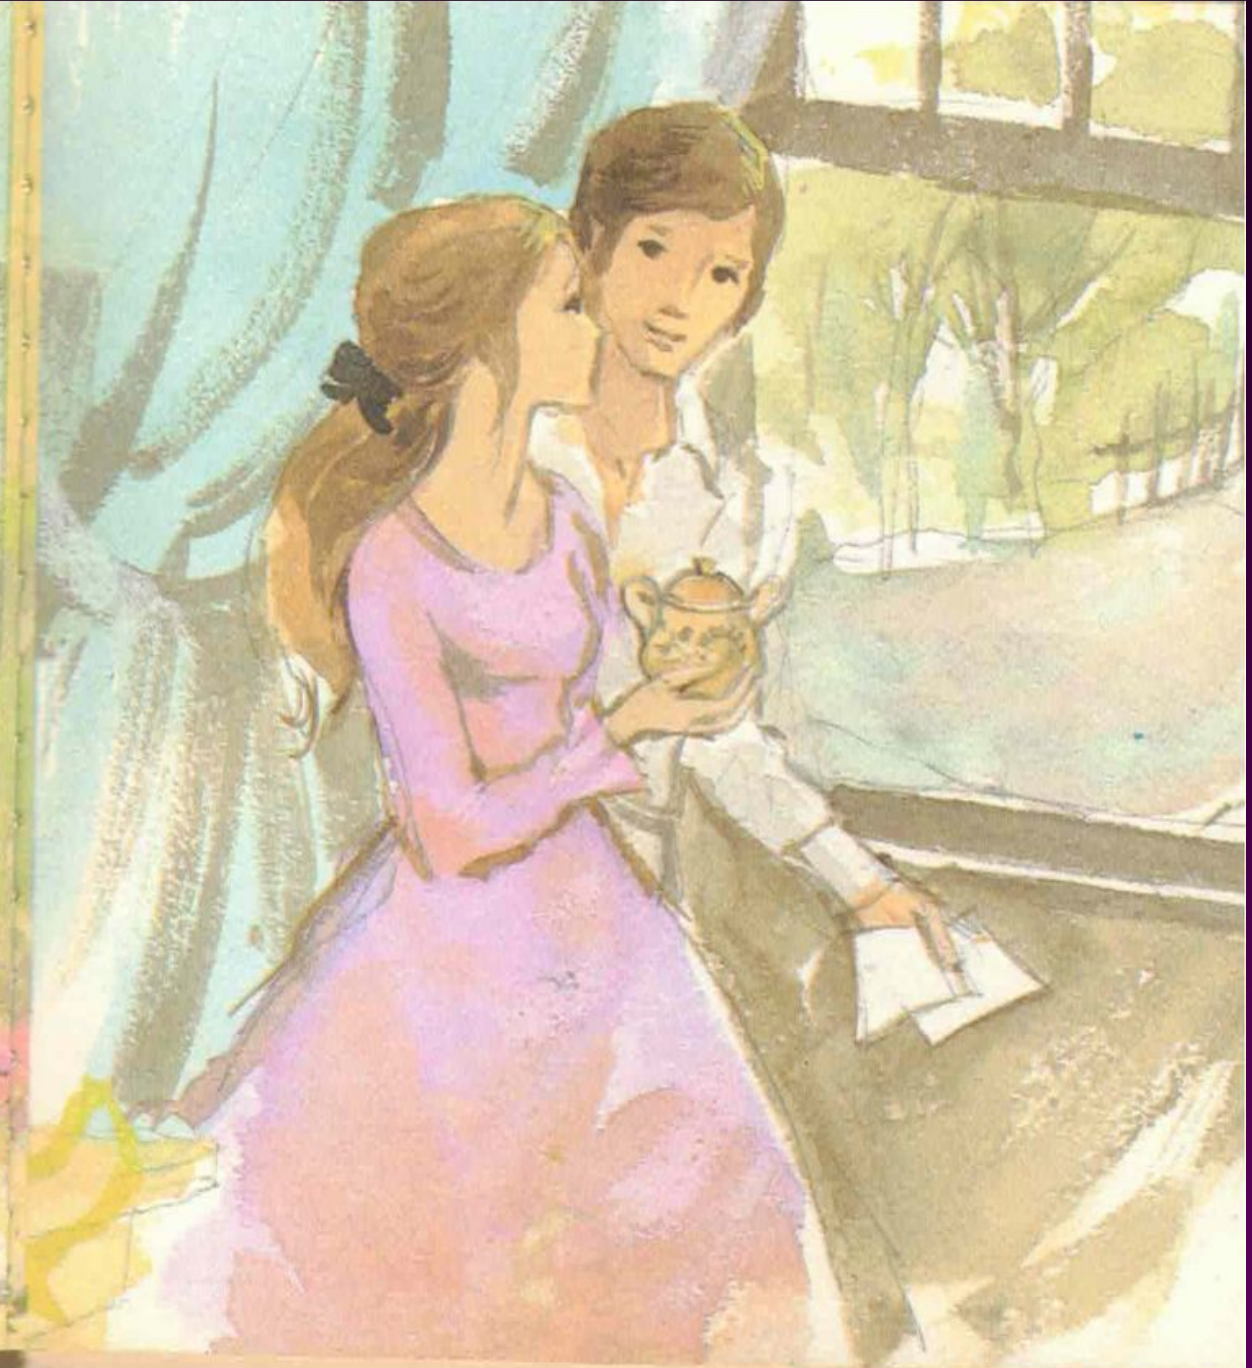

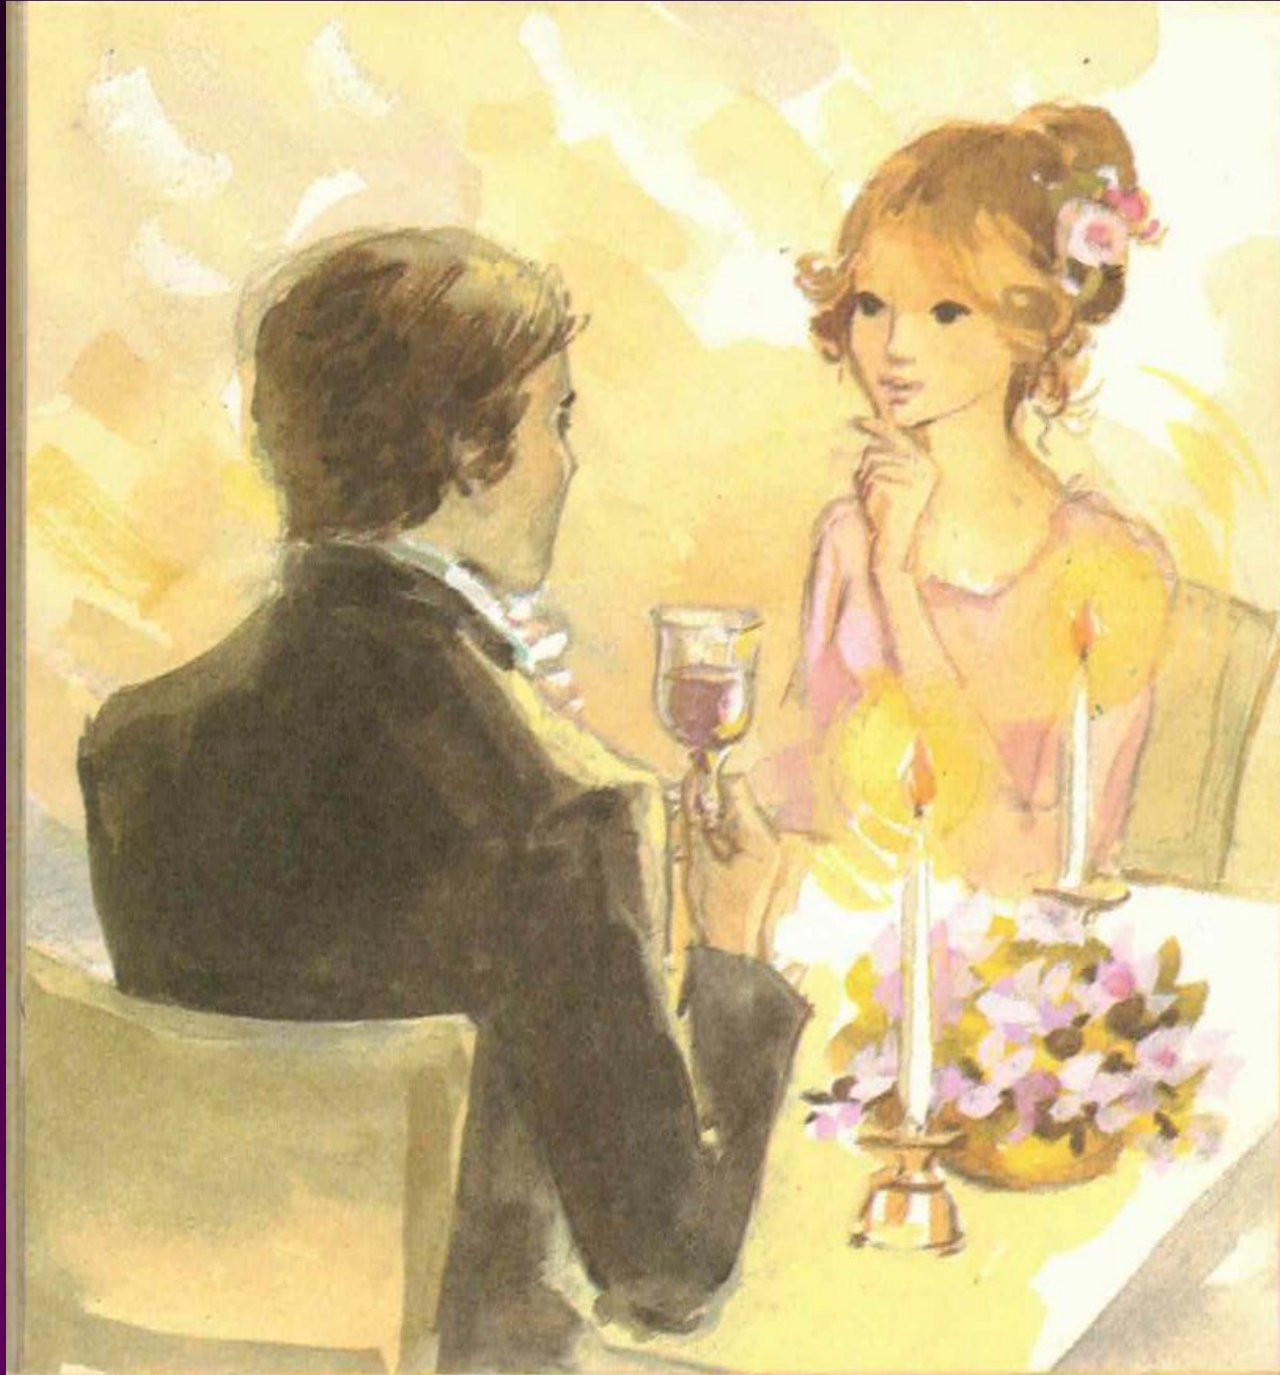

Brand-new brushes  
brand-new brooms  
A brand-new  
budget book

(the groom's)

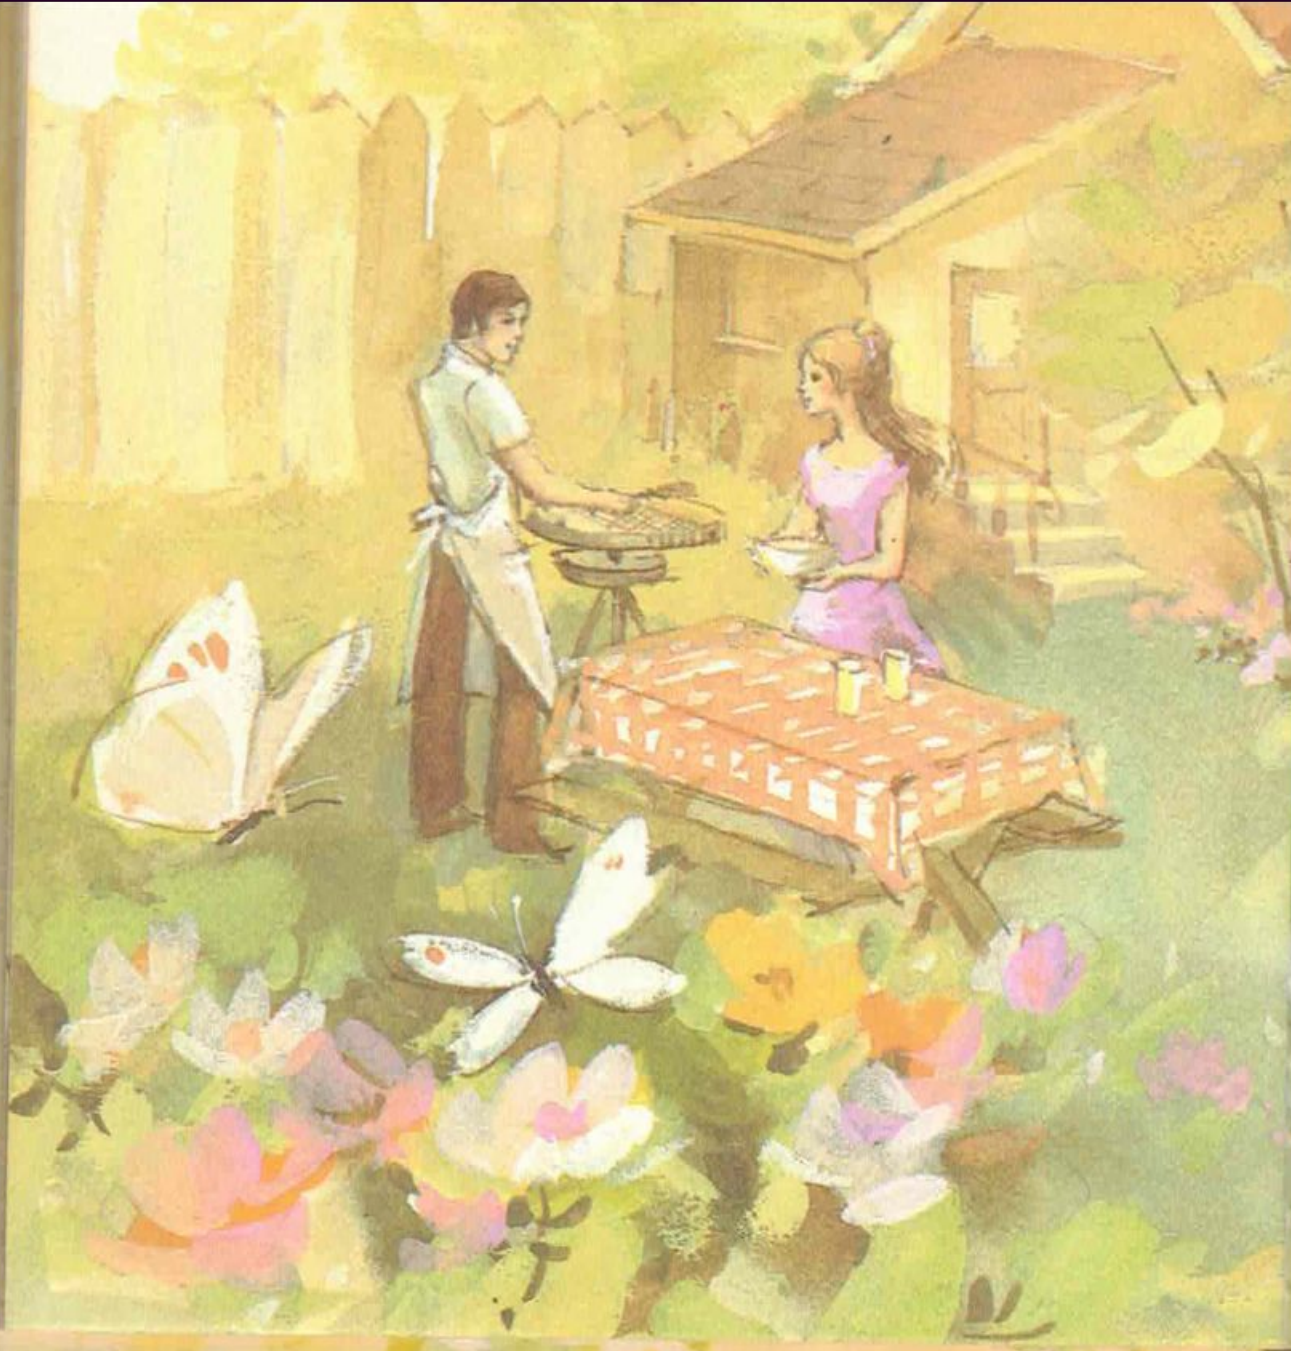

Promises  
and cozy plans  
Kisses, hugs  
and pots and pans

Towels  
monogrammed  
just right  
Roast beef hash-  
and candlelight...

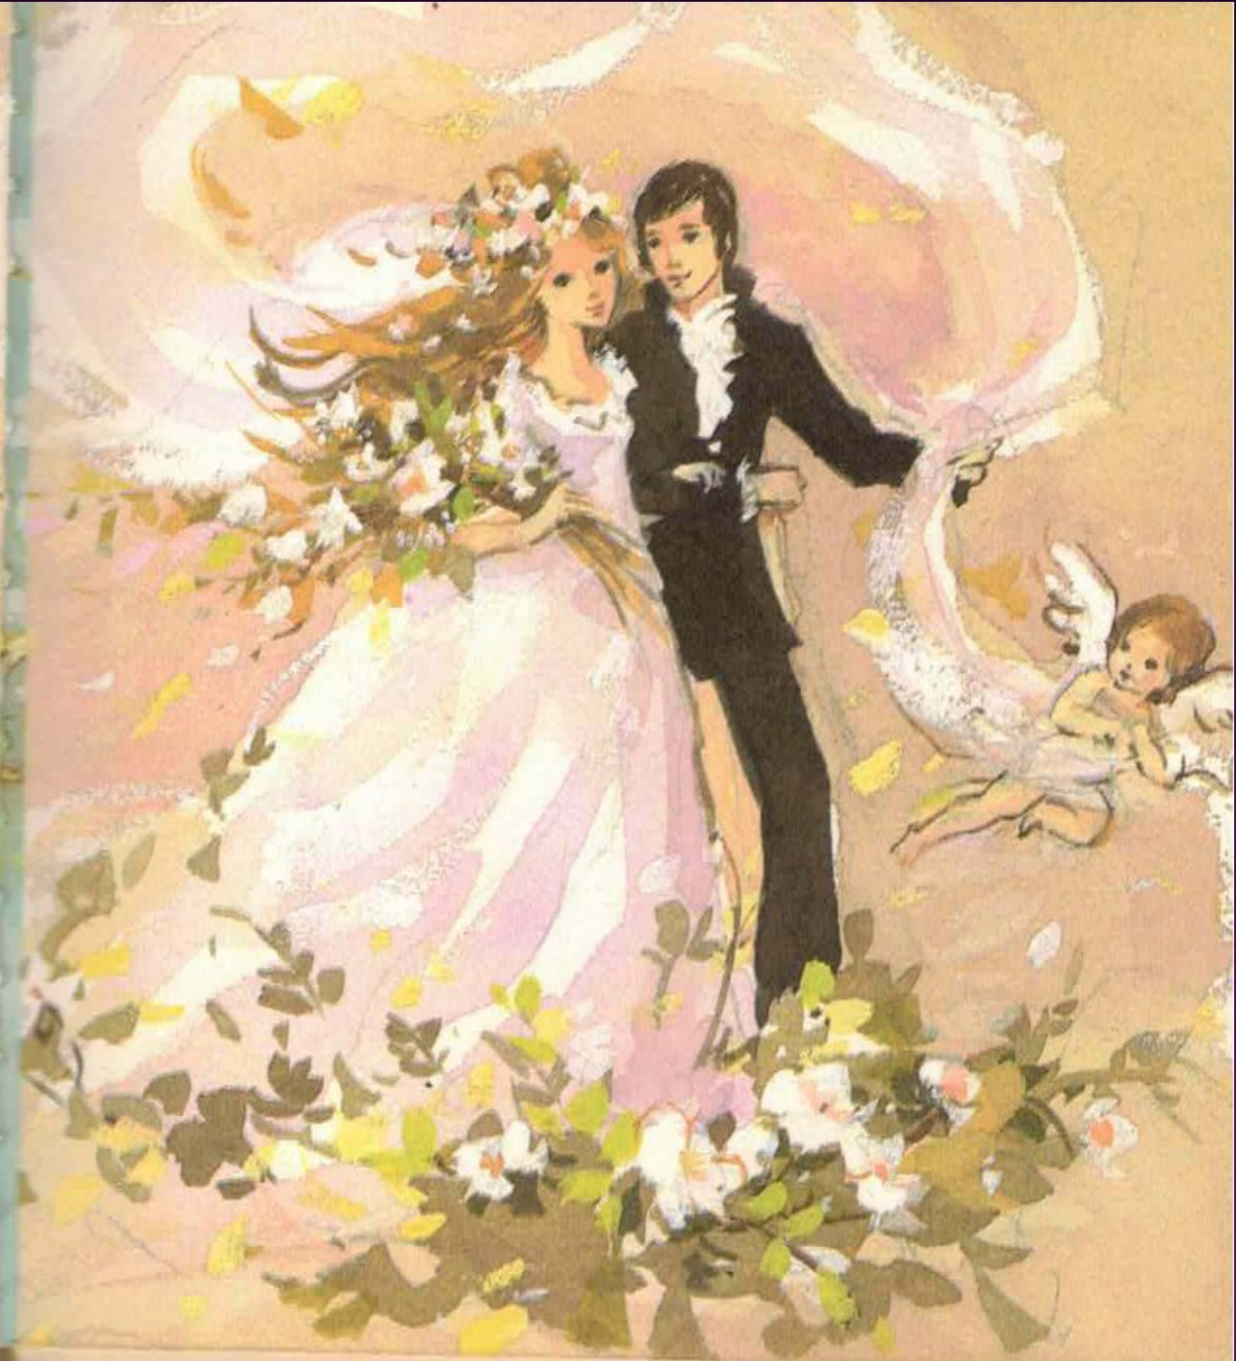

Stereo and  
crystal lamps,  
frozen foods  
and trading stamps  
Sunday brunches,  
barbecues,  
and later—maybe—  
baby shoes

Love to light  
the way through life...

A happy man  
a happy wife!

Best wishes  
to both of you  
for a long and wonderful  
married life
